

Colchester Classic Motorcycle Club

The Eric Kennard Cup

Many of you will know Eric from his attendance at shows with his beautifully presented Ivy motorcycles. He has kindly donated a cup to the club which we will award on an annual basis using the following criteria.

Points will be award to club members for attending shows/meetings as listed on the club Summer events programme.

Members who ride to the event on a classic motorcycle will be awarded	3 points
Members arriving on a modern motorcycle will gain	2 points
Members arriving by car will gain	1 point
Members who bring 2 or more Classic Bikes on a trailer will gain	3 points

At the end of the scheduled programme the member with the most points total wins the cup which we will present at the Christmas Dinner or the December club meeting.
